

Communicate Collaborate Coordinate

Response is a low-cost, simple-to-use, web and mobile situational awareness platform for day-to-day and emergency operations.

Mapping, Information Sharing, Team Mobilization, Emergency Notification and integrated Push-to-Talk voice communications all in one deployable solution.

“Response has significantly increased capacity with understanding our positioning to the challenges we are facing. It improved our operational safety and contributed to our mission’s success.”

– Minnesota State Patrol Captain

Platform Advantages

Decrease Response Times, Reduce Radio Traffic, Enhance Situational Awareness, and Increased Responder Safety

Activate

A simple-to-use web and mobile emergency notification and response team mobilization tool.

Features and Benefits

Persistent and loud notifications ensure the responder gets the request

Overrides phone sleep and do not disturb modes

Receive critical information and auto-navigation to the incident

Plus: New Feature

Mobile Activation from Markers

– Activate teams from anywhere. Select your team, set up vital details and monitor who accepts or declines the activation

Pair Activate with Locate:

Once a responder accepts the Activation, their current location is now visible on the Locate map

Easy 1,2,3 Mobile Team Activation

Set Vital Details
