

Communicate Collaborate Coordinate

Response is a low-cost, simple-to-use web and mobile situational awareness platform for day-to-day and emergency operations.

Mapping, Information Sharing, Team Mobilization, Emergency Notification, and Push-to-Talk Integration all in one deployable solution.

“Response has significantly increased capacity with understanding our positioning to the challenges we are facing, it improved our operational safety and contributed to our mission’s success.”

– St Paul Assistant Chief of Police during MN unrest

Advantages

- Decrease Response Times
- Near Real-Time Information Sharing
- Manage Multiple Operations
- Interoperability Among Disparent Groups

Intrepid **RESPONSE**

Locate

Geo-spatial solution features rich live mapping, view of all personnel, tagged assets, and markers in near real-time.

Features and Benefits

- Near real-time location of all team members
- Auto-Navigate to personnel and markers
- Channels allow multiple simultaneous operations
- Custom map markers and colors
- Define areas of interest
- Access web links directly from personnel and static markers

Connect

A multi-layered collaborative workspace that provides highly secure team communications and sharing of digital content on demand.

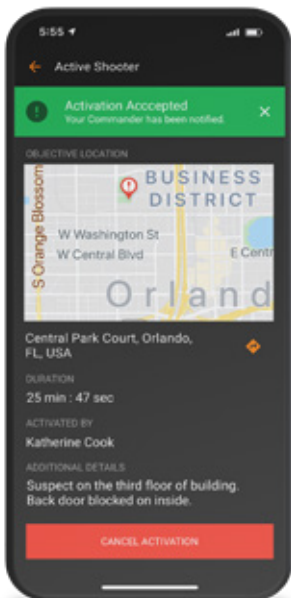

Features and Benefits

- Highly secure multi-media sharing of text, videos, photos, and documents
- Instant messaging with individuals or entire team
- Collaborative documents and white boards
- Automated Task Management

Activate

Simple-to-use emergency notification and response team mobilization tool.

Features and Benefits

- Persistent and loud notifications
- Users can accept or decline the activation
- Overrides phone sleep and do not disturb modes
- Receive critical information about the incident
- Auto-navigate to the incident location

Push-to-Talk

Integration with leading PTT solutions

Features and Benefits

- Integrate PTT solutions directly into our Response dashboard
- Evoke calls directly from personnel markers to individuals or ad-hoc group
- Customizable PTT button location

“Response has proven to be the best emergency notification technology app for getting our SWAT team deployed to critical incident scenes 24/7.”

– Houston Police SWAT Commander
